

## **ANNOUNCEMENTS**

---

A seminar, "*Update in Clinical Allergy*," will be held on October 28, 1983 at the Pacific Medical Center in San Francisco, California, sponsored by the American College of Allergists, the American Association of Clinical Immunology & Allergy, Pacific Medical Center, and Allergenetics, a Division of Axonics, Inc. This course offers 7 hours of Category I CME credits. Registration fees are \$95 for general registrants and \$50 for medical students and fellows. Concomitantly, a course on fluorescent allergosorbent technique in in vitro allergy testing will be offered to registered nurses, research assistants, and medical technicians. (No registration fee is required for this course and hotel accommodations for one night will be paid by Allergenetics.) For further details: Jennifer Jewitt, Program Manager, Allergenetics, 1500 Salado Drive, Mountain View, California 94043 (415/965-7710; outside California, 800/832-3200.

---

### **Call for Reviewers**

In order to insure that manuscripts sent to the Journal are fairly but thoroughly evaluated, it is essential to have a large pool of good reviewers in a variety of fields. The Editorial Board is in urgent need of such individuals and we ask those readers who feel they can contribute to please contact the Editorial Office. Please send a curriculum vitae and indicate the areas in which you feel competent to review.
